# **ePROCUREMENT 8.8**

# MODTABLE INFORMATION

The PO's ModTable screen captures unique LBNL-required statistical information for each PO and change order to assist in producing various reports. It is important that this information be as accurate as possible to assure reliable reporting to various LBNL stakeholders such as DOE & UC. To get to the ModTable, click on the Mod Table Details link on the Maintain Purchase Orders page.

## **Header Information (above the blue bars)**

This section displays general information about the PO/Mod such as: PO Number, Change Order Number, Requisition GFP/SAP, Vendor, PO Date, & PO Status.

## **Main Information**

This section contains overall PO information.

- Award Date: Defaults to the date the PO was created. Update this to the date the PO or Modification
  is issued to the vendor.
- Confirm Date: The date the salesperson is given a PO number on the phone
- Confirmed to: The name of the salesperson who was given the PO number
- **PO Type**: This defaults to 1. Change it to 2 for blanket subcontracts.
  - 1 for one-time PO (usually when something is received by Receiving)
  - 2 for blanket subcontract/extended term subcontract. Blanket subcontracts are billed over several months and do not involve formal receiving.
- Award Type: The method for pricing the contract. Defaults to Firm Fixed Price.

_	•
<u>CA</u>	Cost Plus Award Fees
<u>CF</u>	Cost Plus Fixed Fees
<u>CI</u>	Cost Plus Incentive Fees
<u>CN</u>	Cost No-Fee
<u>CS</u>	Cost Sharing
<u>FE</u>	Fixed Price Economic Price Adj
<u>FF</u>	Firm Fixed Price
	Fixed Price Incentive
<u>FI</u>	
<u>FI</u>	Fixed Price Incentive
FI FR LH	Fixed Price Incentive Fixed Price Redetermination
FI FR LH MR	Fixed Price Incentive Fixed Price Redetermination Labor Hour

- **Buyer Name**: The buyer/subcontract administrator who issued the latest PO Modification (Mod). (The Buyer on the PO Header is the one responsible for administering the PO.)
- **Amt Change**: Automatically displays the dollar change from the previous Mod. (This changes to the correct value after you Save the PO.)

## **Documentation**

This section contains pricing and sourcing information.

- GSA: Check to indicate that the PO is issued under the terms of a Federal Supply Schedule (GSA contract)
- **UC Agreement:** Check to indicate that the PO is issued under the terms of a University of Californianegotiated agreement.
- Foreign Made: Check to indicate that the item is foreign-made.
- # of Firms Solicited: Enter the number of vendors you solicited prices for on this PO.
- **Sole Source:** If checked, indicates that the Requester/Requisition Preparer prefer an award on a sole source basis. This should be unchecked if the PO is to be competitively awarded.
- **Sole Source Basis:** Indicates the reason why the Requester/Requisition Preparer want the award to be a sole source. This should be changed to the final valid reason for a sole source or left blank if competitively awarded.

# **Vendor Classification**

This section contains socioeconomic information about the PO.

Entity: Shows the kind of business the PO is awarded to (Small Business, Large Business, etc.)
 IT IS IMPORTANT THAT THIS BE PRESENT FOR EVERY PO. If blank, have the Vendor table updated.

<u>DO</u>	DOE Contractor
<u>ED</u>	Educational Institute (Not UC)
<u>FE</u>	Federal Government
<u>FO</u>	Foreign Contractor
<u>LB</u>	Large Business
<u>NP</u>	Non Profit
<u>SB</u>	Small Business
<u>SL</u>	State & Local Government
<u>UC</u>	University of California (IUT)
<u>VA</u>	Various & Utilities

• **Set Aside**: Indicates the kind of set aside, if any, that applies to the PO. Leave blank if not set-aside.

8A 8A Set-Aside
HZ HubZone Set-Aside
NO None
SD SDB Set-Aside
SS SB Set-Aside

Page 3 of 4 5/23/06

- NAICS: The North American Industry Classification System code. This number is required for all
  written solicitations.
- **Debarred Checked:** For POs over \$25,000, check this to indicate that the *Excluded Parties List System* has been checked and the vendor is not debarred from Federal transactions.
- **Disadvantaged:** Check to indicate the vendor is a disadvantaged business.
- Women: Check to indicate that the vendor is a woman-owned business.
- **Hub Zone:** Check to indicate that the vendor is in a Hub Zone
- **Veteran:** Check to indicate that the vendor is owned by a veteran.
- **Disabled Veteran:** Check to indicate that the vendor is owned by a disabled veteran.
- Ca Dis Vet: Check to indicate that the vendor is owned by a California disabled veteran.

## **PO Administration**

This section generally contains information associated with post-award activities and Type 2 (blanket) subcontracts.

- Start Date: Applies only to Type 2 POs (blanket subcontracts). It defaults to the Due Date from the requisition. Adjust this to be the date when the vendor is to begin providing goods or services to the Lab. This does not need to be changed for Type 1 POs.
- **End Date**: Applies only to Type 2 POs (blanket subcontracts). Adjust this to be the date when the vendor is to stop providing goods or services to the Lab (when the subcontract will expire). This does not need to be changed for Type 1 POs.
- **Cert Required**: This defines the kind of invoice certification required. If left blank, no certification is required. Defaults to highest certification level of all Item Categories. Certification is generally not needed for POs that are received by Receiving.

- **Certifier:** The Employee # of the certifier who will be sent PO invoices to certify by AP. Defaults to the requester when Cert Required is not blank
- **Cert Location:** The certifier's Bldg/Room entered by the system (generally not needed).
- Retention %: The percent of invoice amounts that are to be withheld for payment by AP.
- **Previous Order:** The previous Type 2 blanket PO number that was replaced by this PO.
- Quality: Not used. Leave blank.
- Req Date: This defaults to the requisition approval date of the last requisition added to the PO. It is
  used to calculate Lead Time (Award Date minus Req Date). Update this date to reflect the date all
  required information was received from the requester to proceed with the purchase.
- **GFP/SAP:** Click Yes to indicate if *Government Furnished Property* or *Subcontractor Acquired Property* applies to this PO.

#### Comments

Enter the reason for issuing the PO Mod.

## **Printing Mods**

To print PO Mods, navigate to **eProcurement | Buyer Center | Inquiries and Reports** and click **LBNL PO Modifications Report**.
